MONSTER & Me™

The Monster & Me series builds literacy, learning, and life skills by providing young children with relatable, real-life, and memorable stories. Each Monster book educates children about relationships, values, and vocabulary. Kids will fall in love with the mischievous, adventurous, friendly blue Monster!

In this Monster & Me Story Time Event Kit, we've provided ideas to make your store, classroom, or library a monstrously fun place to read and learn. These Story Time suggestions and reproducible activity sheets will familiarize children with Monster and engage their minds.

We welcome all comments about events or Story Times. Let us know how your event went by emailing Sammy Bosch at sammy@mightymedia.com.

Living in Massachusetts with his wife, and two little monsters, Paul has rediscovered his passion for writing and looks forward to sharing his stories for years to come.

MONSTROUSLY MARVELOUS AWARDS AND REVIEWS

MONSTER NEEDS A COSTUME

A Mom's Choice Awards® Gold Recipient

"Given the jaunty flow of the story and the humorous details on every page, put this at the top of the list for unscary options come October." —*Kirkus Reviews*

"The rhymes, quite obviously, are bouncy and irreverent, and just as much heck is raised by Grieb's cartoony illustrations of the enormous, blue, horned beast with the happy underbite ...!" —*Booklist*

MONSTER NEEDS HIS SLEEP

"Czajak and Grieb pair up once again for a hilarious take on the many creative ways a monster attempts to avoid bedtime.... Sure to be a welcome choice for the going-to-bed that never seems to end."

—*Kirkus Reviews*

"Featuring an endearing character children will adore, this imaginative book will be hard to put down...even at bedtime!" —Sudipta Bardhan-Quallen, author of *Pirate Princess* and *Chicks Run Wild*

MONSTER NEEDS A CHRISTMAS TREE

A Mom's Choice Awards® Gold Recipient

"Sendakesque ... The cute finale brings to mind Charlie Brown, as Monster gathers up houseplants to cobble together a pretty darn impressive placeholder. As before, Czajak and Grieb make Monster's perpetual overexcitement palpable and identifiable." —*Booklist*

"... providing children with a valuable lesson in persistence and determination. *Monster Needs a Christmas Tree* shows that the Monster & Me series is going strong and, from all indications, has a long life ahead of it." —*Foreword Reviews, 5-Star Review*
